

Sample Sewing Machines

AT SALE PRICES

We have one lot of Saturday Rotary Sewing Machines—the world's best—that have been used as samples and are scratched or the "new" has been taken off in handling. Otherwise they are perfect and in as good condition as when they left the factory. There isn't but a few of them and we have made big concessions to move them from our salesroom at once. Hand lift, automatic lift, grand automatic lift and cabinet styles.

Terms are cash or arrangements to suit your convenience. Come in early and get your selection of woodwork and styles.

Oyster Economy!

When you buy tub oysters, how much water of doubtful purity do you suppose you are paying for? Just drain the next quart you buy and see how much water was included in the bill.

Now, then—when you buy Sealshipt oysters, you buy solid meats which have been washed and drained before packing in the airtight, white enameled case of a Sealshipt Carrier.

One pint of Sealshipt will go almost as far as a quart of any tub oysters. The price is a little higher than you pay for a pint of other oysters, that's true—but the point is, that when you buy a pint of Sealshipts, you get a full pint of oysters and nothing else.
